# | PRIZES & CATEGORIES

- Open Category to help local causes of your choice
- E-Guide to highlight local restaurants in collaboration with city of Newark
- T1 to T2 Credit, depending on project scope, to teams that complete the length of this hackathon

What will you make?

# | Open Category

- Must focus on local issues. Projects can have a global effect, but the problem you are solving must be relevant to the Bay Area as well.
- You are free to solve the issues most impactful to you

## Impact

- What need or cause are you supporting?
- How could this impact the Bay Area?
- What organizations could you partner pitch (want to reach out during this event - let us know)

## Practicality

- What features did you implement during this hackathon?
- Could this be launched today? If not, what else is needed.

# Proposal: E-Guide for Newark Restaurants

- Project proposed in collaboration with the City and Chamber of Commerce of Newark
- 21st Century Restaurant E-Guide brings attention to family-owned restaurants & unique cuisine
- Highlight the unique, local cuisine in our community and tell the stories behind the food
- Already provided with data for over 180 local businesses and 3 videos for featured restaurants
- Target audience: local employees, residents, hotel guests & students
- Full proposal to be posted in Slack

# Thank you

- Enjoy the food, please say thank you
- Use this time to form teams, must have them formed by this Friday
- You will have exclusive access to the front of Z3 until next Friday
- Slack group to be created after this with team signup form, these slides and more information regarding the project with the City of Newark.
